

2024 Neenah Basketball Academy

The Neenah Basketball Academy (NBA) provides an opportunity for boys entering grades K-9th grades to work on their basketball skills during the summer months.

Each session will be led by Neenah Head Boys Basketball Coach Lee Rabas, assistant coach Mike Johnson, the rest of his coaching staff, current and former Rocket players, and college players. The NBA staff will work hard to give your son(s) every opportunity to improve their skills, increase their basketball knowledge, and maximize their basketball abilities. They will be challenged in a positive and dynamic environment. *Players of all skill and ability levels are welcome.*
